Dated : 24th June 2022

Dear Valued Customer,

Greetings from Gateway Distriparks !

May please note that we are observing sluggish movement of rakes due to heavy traffic which has resulted into en-route congestion, many of our rakes are getting stabled en-route due to the said reason.

The overall turn-around time of our rakes is increased resulting in delays in the evacuation of Exports from ICDS' and Imports from the sea ports.

We are constantly pursuing the competent authorities for the smooth movement of our rakes however this may take some time to ease off and come back to normal.

We would request you plan your EXIM containers accordingly considering the delays due to above said factors.

For any further query please feel free to get in touch, we will be happy to assist you.

Best Regards,
Customer Service Desk
