Dated : 20th June 2022

Dear Valued Customer,

Greetings from Gateway Distriparks!

We would like to inform you that we are observing sluggish movement of our rakes in Delhi and adjoining divisions due the public unrest in North and North east part of Country, this is resulting in delayed placement of our rakes in North ICDs'. Also, many passenger trains have been cancelled because of the same reason.

This has impacted the evacuation of Export containers from ICDs' and Import containers from Gateway Ports, as the overall transit is affected and the turn-around time has increased on account of aforesaid reasons.

Also, May please note that there is a slight impact in Road movement of containers too, although we are taking utmost precautionary measures for container dispatch, however we would request you to take some additional time while planning your EXIM containers.

Please feel free to get in touch for any further query, we will be happy to assist you.

Best Regards,
Customer Service Desk
