Dated : 29.09.16

Dear Valued Customer,

Greetings from Gateway Rail!

This is to inform you that in line with **Customs Notification No. 6/2016 dated 29/8/2016**, ICD Gateway Rail Freight Limited – Sahnewal (Ludhiana) would be assigned with a new **Customs Location Code- INSGF6** w.e.f. 03rd Oct 2016, a copy of customs Public notice is attached for your ready reference.

Therefore, you are requested to kindly advise your respective **Shipping Line / NVOCC to file IGM / SMTP** of all your import consignments **landing wef 3rd Oct'16** at ports as per our new Customs location Code- **INSGF6 for ICD GRFL, Sahnewal** and arrange to file BOEs accordingly thereafter.

It is also important to mention that we have requested **Customs for allowing a general permission for clearance of the containers lying at ICD GRFL, in transit, lying or under discharge at port on 3rd Oct'16 for which IGM/SMTP has been filed with the current code of ICD GRFL, Sahnewal.** Customs have conveyed to grant a general permission for import clearance at ICD GRFL, Sahnewal for all such containers. We are hopeful that we would be able to complete the migration to new code smoothly, with all your support.

Customs have conveyed to grant a general permission for import clearance at ICD GRFL, Sahnewal on both the codes (existing code and new code) during transition period. All the existing trade facilities being offered by Customs at ICD GRFL, Sahnewal would continue to be offered. Similarly, we would continue to offer all related services by GRFL and the only change is of Location code.

For our Customers who are already bringing their import containers through **GatewayRail from ports to Sahnewal** and then taking these containers to **their choice of CFSs** (including any other custom locations ICDs/CFSs of INLDH6, INDDL6 in Ludhiana) may request respective shipping Line for filing Rail in through **GatewayRail as Carrier** and we have all the arrangements in place to deliver these containers at your choice of CFSs. **This practice is already in place and would continue at same level of efficiency in future as well.**

We seek your co-operation during this transition to new code to serve you seamlessly, and appreciate your support that would help us for smooth transition.

We have set up helpdesk for assistance and would be happy to assist you 24x7 regarding any query in this regard. Please feel free to contact us anytime for any support required.
