

Ref. : GR/TN/2019-2020/ALL/03

Dated : 24th March 2020

Dear Valued Partners,

Greetings for the Day!

Indian Railways have waived off **Rail Haulage Charges** on transportation of empty containers by rail. Accordingly, GatewayRail has also decided to levy **Zero Rail Freight** for movement of empty containers booked by Shipping Line for movement between our ICD and **Nhava Sheva Port cluster, Mundra Port cluster and Pipavav port.**

Thus, we will not levy any Rail Freight on the movement of Shipping Line empty containers with effect from 24th March 2020 to 30th April 2020 to facilitate the trade during this crisis situation.

Terminal Handling Charges (THC) and any other charge as applicable shall be payable by the Shipping Lines directly to the respective terminals.

The booking of empty containers shall be subject to confirmation from Gateway Rail, as per slot availability on each train service.

Best Regards,
Customer Service Desk
Gateway Rail
