

Ref no. GR/ADV/2017-2018/ALL/05

Dated : 01.08.17

Dear Valued Customer,

Greetings from Gateway Rail,

This is to inform you that export loading towards Mundra as well as Pipavav Port has been restricted for 48 hours by Indian Railways. The restriction is imposed for destinations reached via Ajmer – Palanpur route for two days ie. 1.08.17 & 2.08.17 respectively, on account of congestion, heavy pipeline & breaches on the way.

The train running is sluggish due to heavy rains and enroute congestion with frequent stabling resulting in overall increase in turn-around time of our rakes , which may impact the export arrivals & import evacuation. We are also observing stabling on Nhava Sheva route as a result of rainy season and congestion ahead of Ratlam division. Further to this, Port might not be able to follow FIFO or load import containers as per priority given as the pendency levels are high for the reasons stated as above.

We request you to plan your containers accordingly considering the delays. Further updates will be provided on timely basis , for any queries please feel free to get in touch with our ICD customer service desk.

Best Regards,  
Customer Service Desk  
Gateway Rail
