Dear Esteemed Customers,

Greetings for the day !

GatewayRail constantly strives to maintain a high quality of reliable and sustainable service to the EXIM trade of India.

In order to ensure sustainable service we have to ensure that the cost of providing service is adequately covered with a reasonable margin for the purpose of development of infrastructure and technology support to remain ahead of the curve.

We therefore are constrained to inform you of the following increase in the charges for Terminal Services at ICD Gurgaon and will be applicable on all laden containers as per the schedule given below.

These charges will be applicable from 00:00 HRS of 1st October 2018 and payable by the shipper (importer / exporter) at the time of arrival of export container for custom clearance / rail transportation and at the time of taking delivery of import containers.

| S. no. | Segment | Charges | 20' | 40' |
|--------|---------|---|------|------|
| 1. | Imports | Standard TSC | 500 | 1000 |
| 2. | Imports | Variable Imbalance Surcharge * | 500 | 1000 |
| 3. | Imports | Terminal Infrastructure Surcharge (TIS) | 1000 | 2000 |
| 4. | Exports | Terminal Infrastructure Surcharge (TIS) | 1000 | 2000 |

* The variable Imbalance Surcharge will be applicable based on a formula and will be revised every quarter.

* The applicable taxes and government levies will be charged separately.

Thanks & Regards,

Rajguru Behgal
Vice President
