

Ref. no. GR/TN/2020-2021/SNL/04

Dated : 9.12.2020

Dear Valued Customer,

Greetings for the day !

Gateway Rail is pleased to announce the commencement of own **Equipment Maintenance & Repair (EMR)** facility at its ICD Ludhiana(Sahnewal) on 5th December,2020. It has been our endeavor to invest in technology and infrastructure in order to facilitate the trade with ease of business and to provide one stop solution for all service needs of shipping lines and their customers.

This initiative of EMR Services by Gateway Rail will facilitate the trade in Punjab with timely repair and maintenance of Empty containers. For the purpose, we have hired highly skilled & knowledgeable manpower with an average expertise of more than 8 years. This model will be soon replicated at all other terminals of Gateway Rail in North India.

Gateway Rail Freight Ltd (a 100% subsidiary of Gateway Distriparks Ltd) is India's leading Private Intermodal Operator. We leverage the advantages of Rail transportation to deliver container logistics solutions that are seamless, effective and efficient. Our comprehensive multimodal logistics solutions span across EXIM, Domestic, Reefer and Terminal Services with first and last mile connectivity. Our service commitments are backed by own infrastructure, vast asset base, an expansive network and multi-location presence Pan India.

Please find attached Tariff covering activities pertaining to Equipment Maintenance & Repair at GatewayRail ICD Ludhiana (Sanehwal) for your ready reference. We look forward to your participation and support to make it a successful venture for Gateway Rail.

Assuring you the best of our services.

Best Regards
Customer Service Desk
