Dear Valued Customer,

Please note that there has been additional costs levied by Mundra Port with regard to train loading/unloading operations effective from 1st Feb 2023.

Due to this cost impact, we shall be levying Port Handling surcharge at the rate of INR 150 per TEU on all Export and Import containers moved between Mundra Port and our ICDs.

These charges will be levied on all containers (Laden & Empty) handled at the Port with effect from 15th February 2024.

If you require any further additional clarification in this matter, please reach out to our Customer service team. We value your partnership and look forward to your continued support.

Regards,

GDL - Customer Service Team
